GREATEST THRONG AT ASBURY PARK

Attracted by Silver Jubilee Baby Parade-Dance for Carnival Queen.

BOATMEN'S FETE

ASBURY PARK, N. J., Aug. 28 .- This has been "Baby Parade Week" in asbury Park and all along the North Jersey coast. On Wednesday the Silver Jubilee Baby Parade took place here and the greatest throng that ever came to Asbury Park on a single day witnessed the event.

The leading social function of the week here was the Queen's supper dance at the Lafayette Hotel on Thursday evening. Among the guests were Mayor C. E. F. Hetrick and the City nissioners, members of the Carnival commission and the patronesses of the commission and the patronesses of the carnival events. The first children's entertainment of the season will be held at the Lafayette Monday evening. The masque ball last night was attended by the Queen and her court in their royal robes.

The boatmen's carnival on Wesley Lake on Thursday night was a replica of the famous water pageants held here in previous years. As the "boat boys" had no municipal support, the cottagers on both sides of the lake contributed generously and decorated their houses to a greater extent than ever before. The official water fete was held this year on Sunset Lake, which is in the centre of the city and the imaginary line between Asbury and North Asbury. A concert for the benefit of the Asbury Park Patrolmen's Benevolent Association was held on Monday evening in the Arcade pier under the direction of Arthur Pryor, the bandmaster, and Tali Esen Morgan, musical director of
